Teacher Pathway
Partnership Cohort

Who We Are?

The Teacher Pathway Partnership will help guide you along the college pathway to explore and pursue the many opportunities available in the education profession. It is open to all students who are interested in a career in education.

Who Is Eligible?

Incoming Freshman are eligible to apply for the Teacher Pathway Partnership Cohort, which is a program specifically for first-year college students.

Continuing college students may apply for Teacher Pathway Partnership.

Teacher Pathway Partnership Cohort Benefits

The program provides students with a successful college plan:

- A clear understanding of various careers and working with children.
- A Teacher Pathway Counselor specifically to guide students in this program.
- Textbook Borrowing Program
- Guaranteed courses that meet the program requirements
- Valuable job/volunteer opportunities that help students graduate on time and gain the necessary knowledge and skills to obtain a job in education
